

MB 200

- powder-coated steel
- RAL 9006
- robust

Our mounting solution made of powder-coated steel incl. cylinder support ensures a permanent mount of the horn speakers and sound projectors on masts even in »rough« environments. The length of the banners on delivery is 650 mm and can be easily shortened.

The mast bracket is suitable for a wide range of applications, e.g. stadiums, industrial facilities, fairs etc. and provides best stability in accustomed ic audio quality.
